TO OPEN OUR WORLD

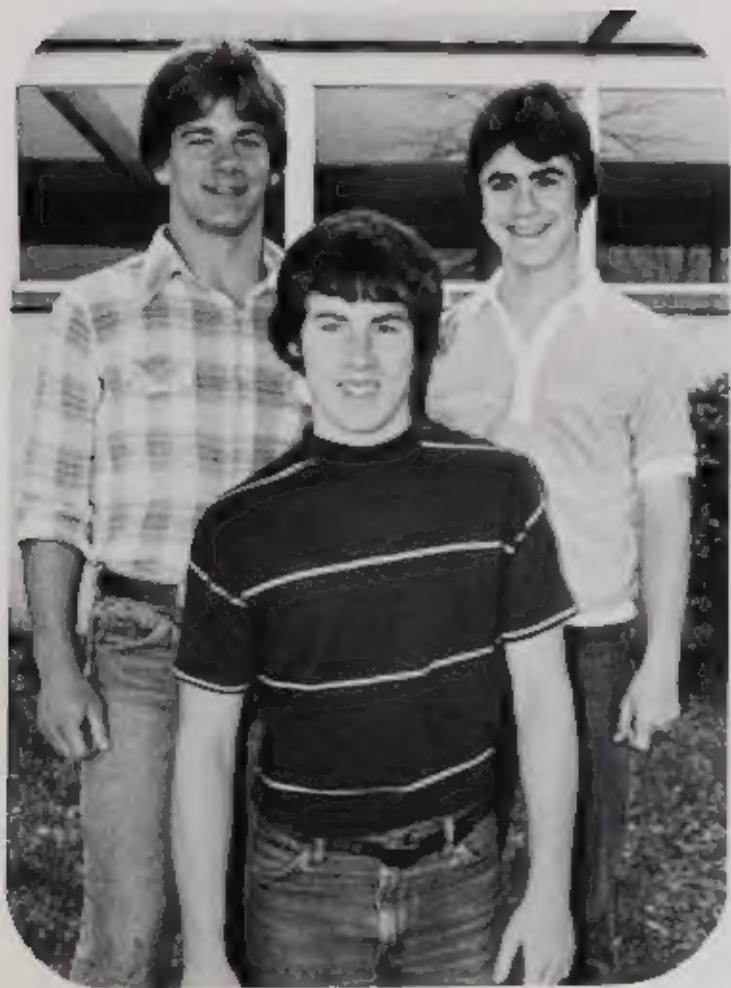

COMET to us means...

the student body

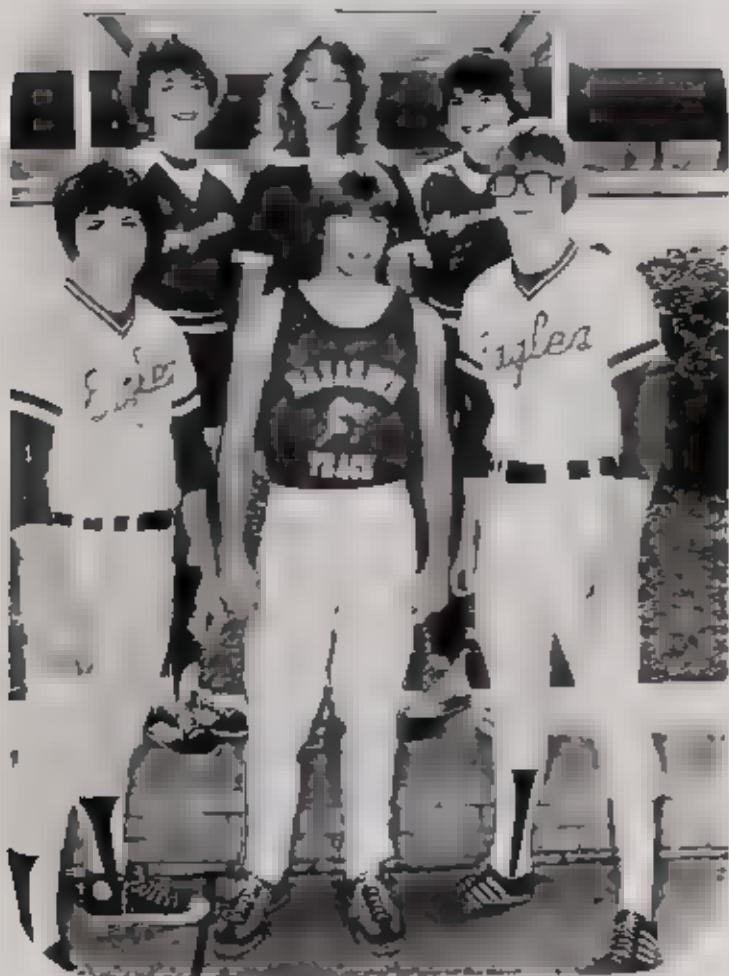

COMET to us means...

Give me men
who hate to lose
and I'll give you
WINNER

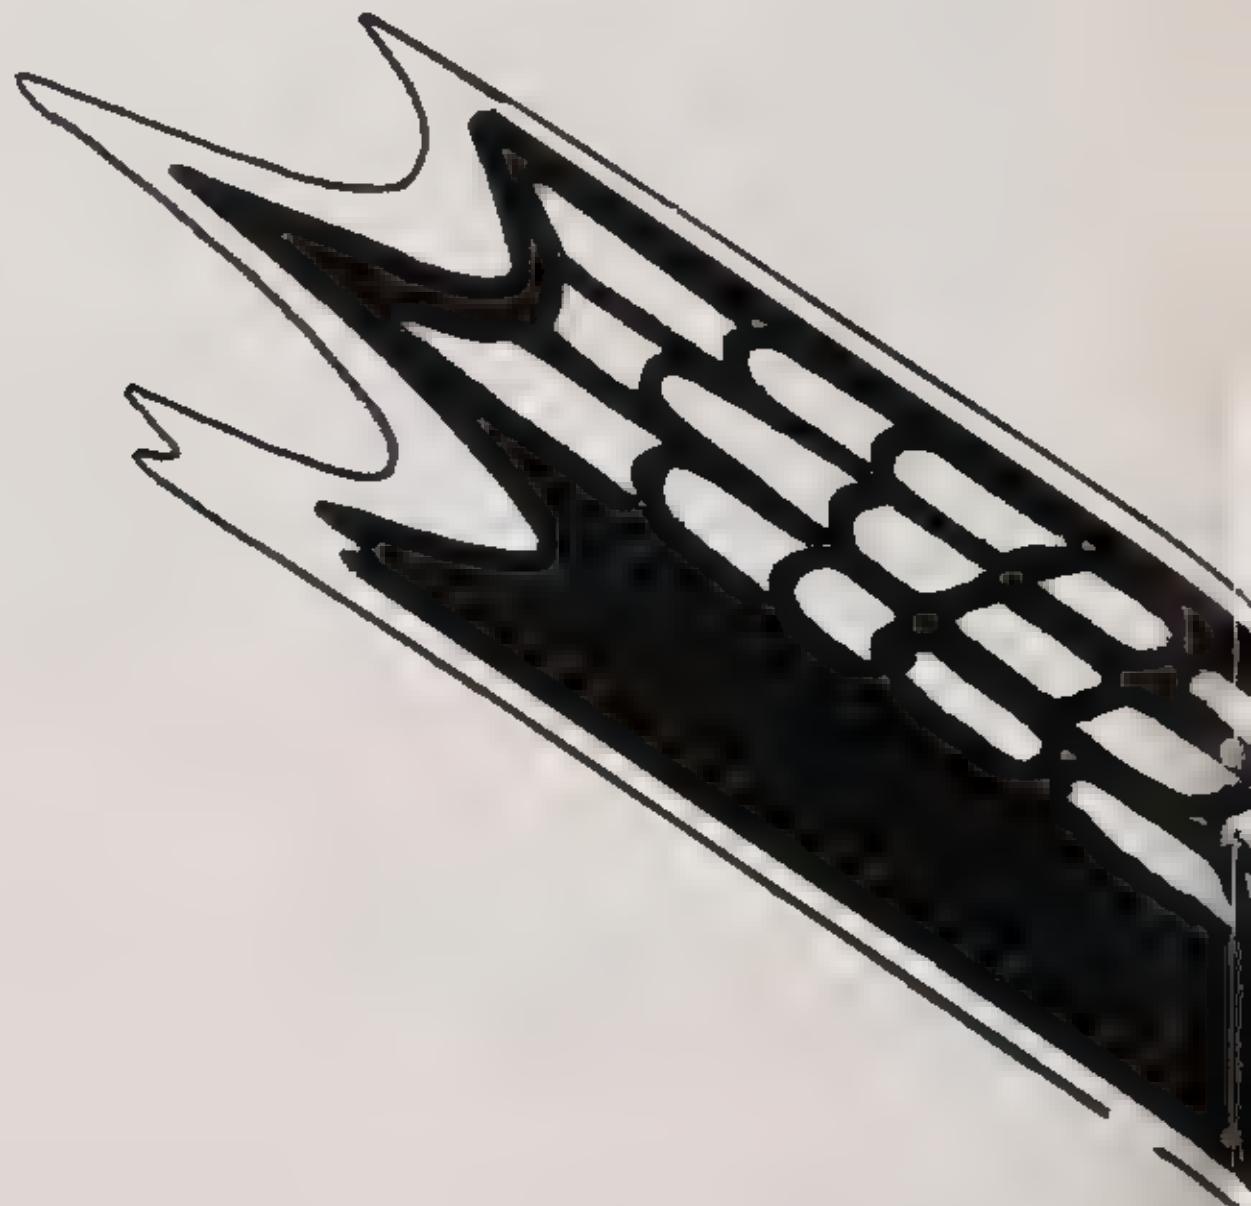

the athletes

COMET to us means...

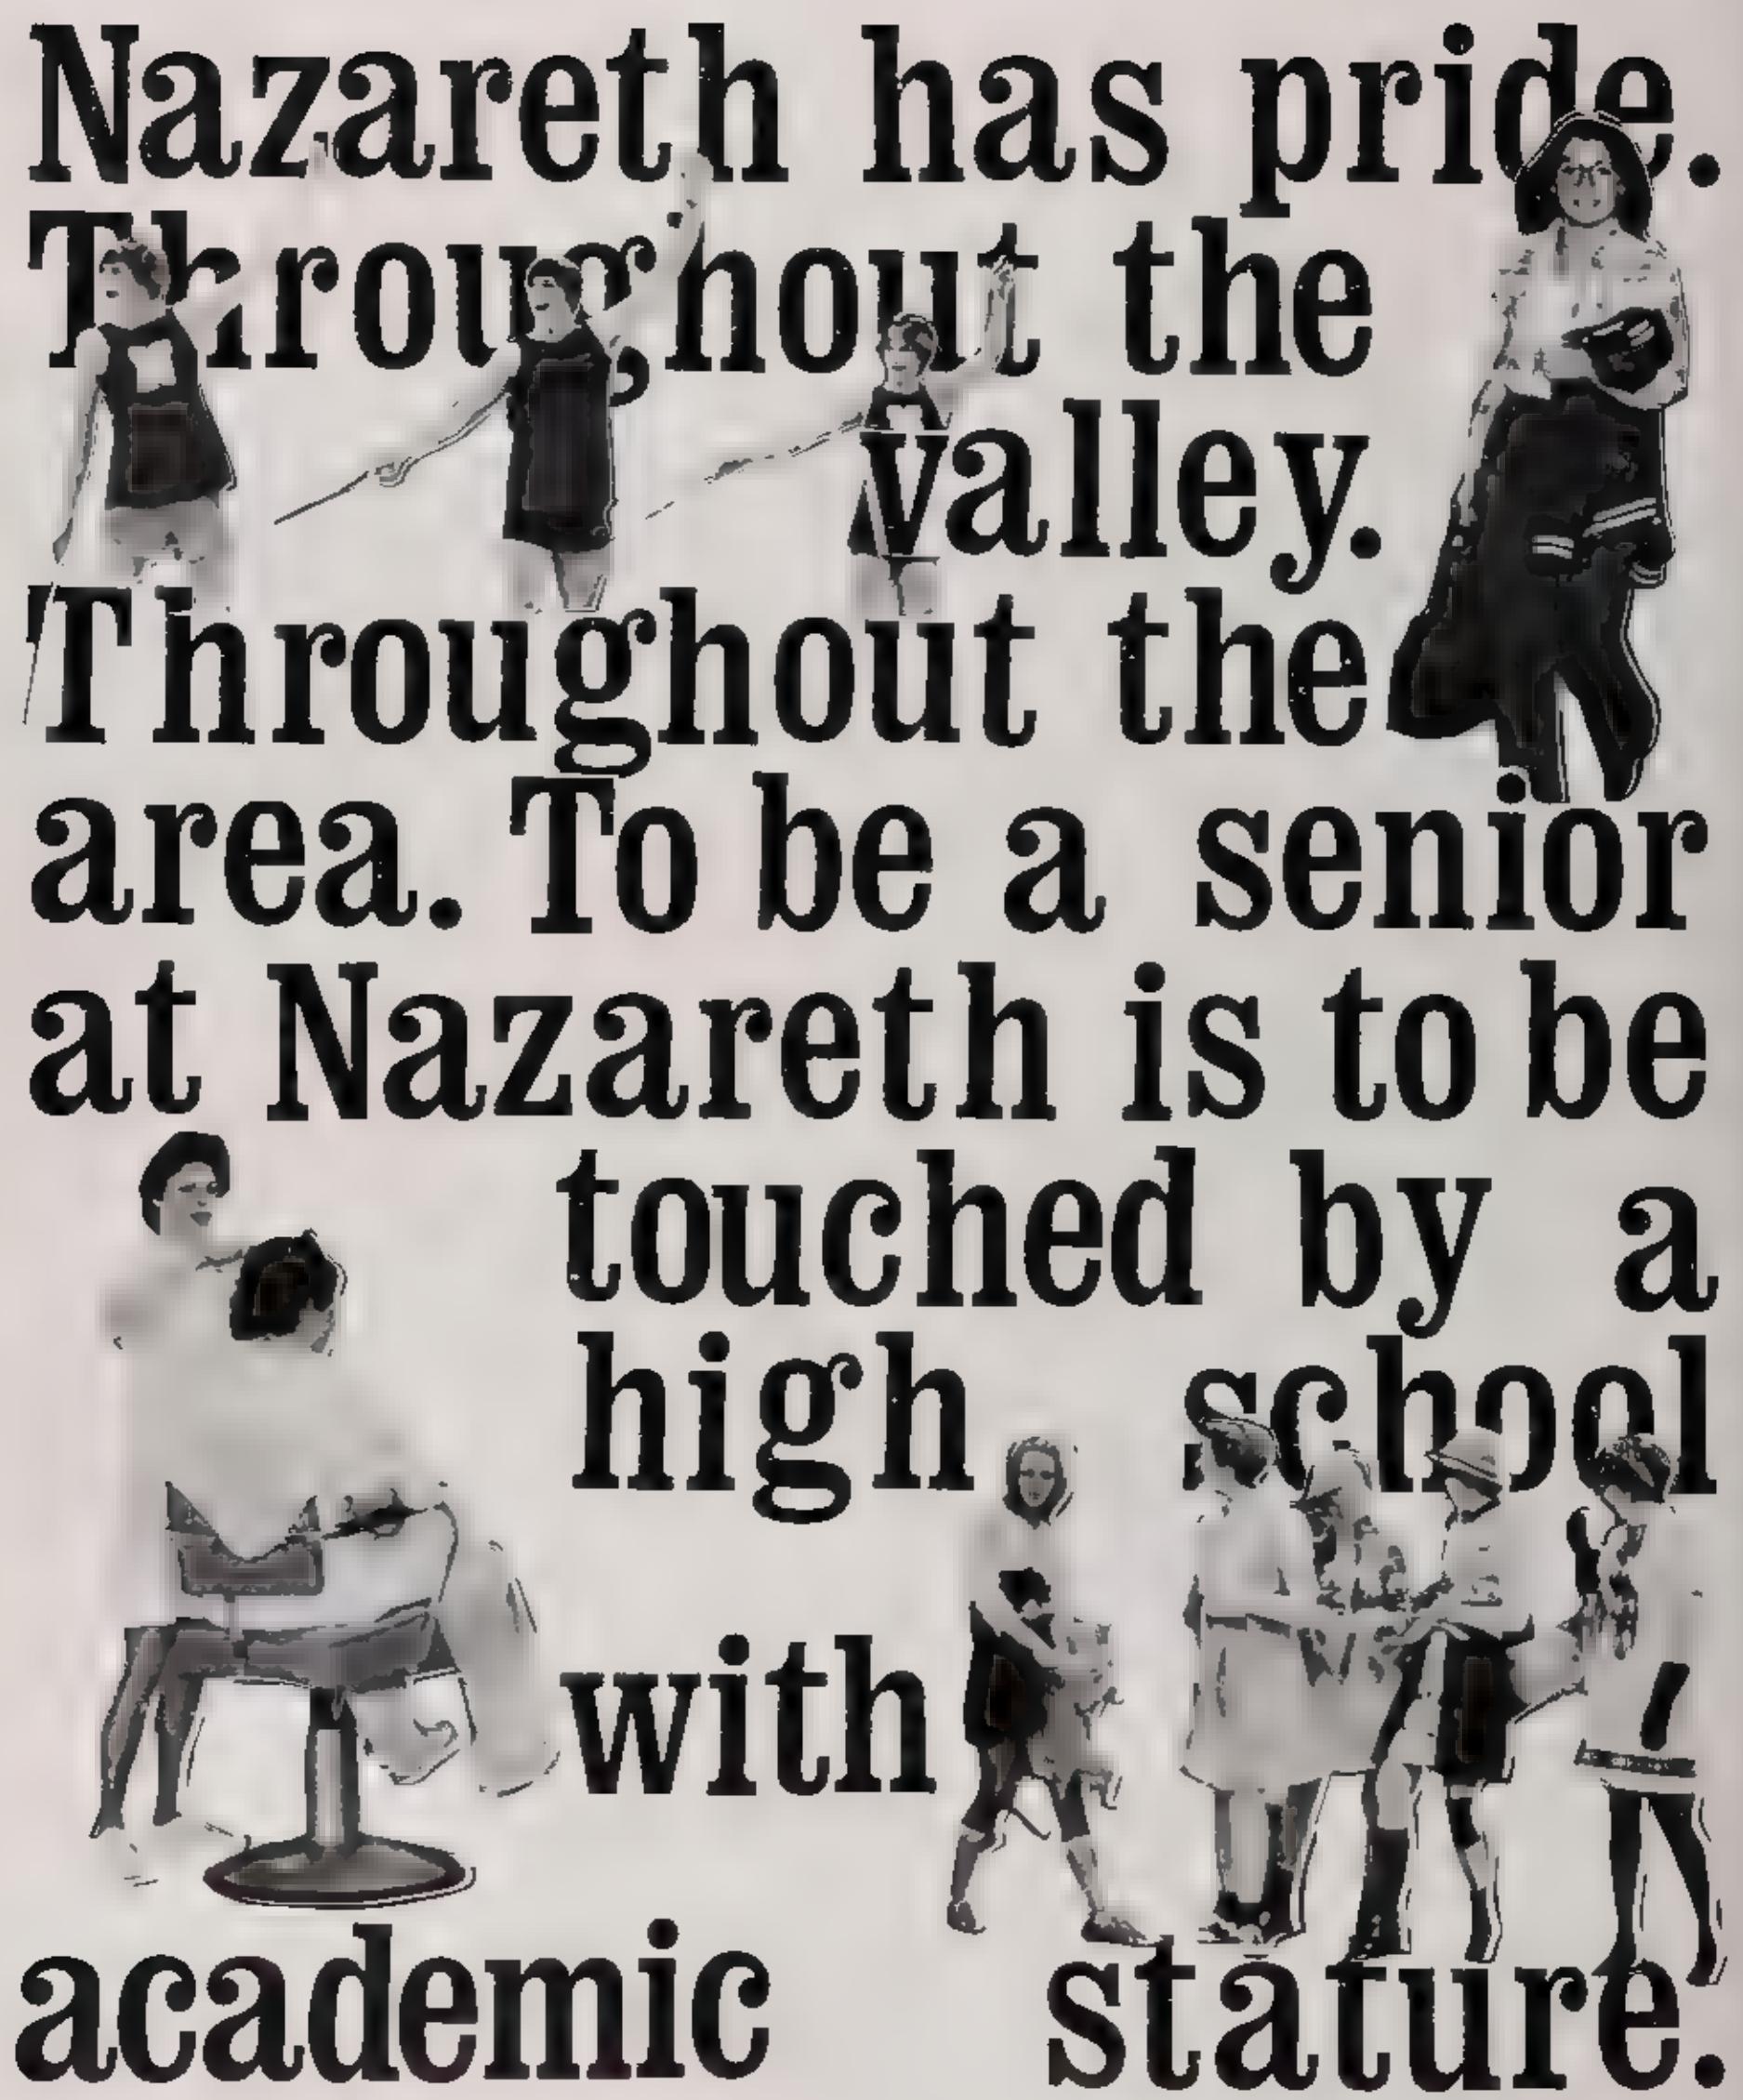

*As Her Last Yearbook Class We Knew It
Would Be Wrong To Break Mrs.
Kolessar's Rule And Dedicate This Book;
However, It Would Be Far Worse Not To
Sneak In A Thanks For Her Years Of
Dedication.*

COMET 76

the advisor

Nazareth has pride.
Throughout the
valley.
Throughout the
area. To be a senior
at Nazareth is to be
touched by a
high school
with academic
stature.

The following poem is dedicated to the friends and family of Kevin Scarock, who passed away on November 17, 1978. Although he is physically gone, he will remain in the memories of all who know him.

Losing a friend so close and so dear
Losing someone you've always been near
Crying the tears, just feeling plain sad
Recalling good times that both of you had

Feeling the pain that death seems to bring
Feeling so empty, yet feeling the sting
Not understanding - unable to
Not knowing what to say or to do

Time will soon prove to help ease the pain
The fear will be gone, understanding will
reign
The physical body is gone - it is true
Yet memories of life are always with you

You've still got the memories of someone
quite dear
They'll always be close, they'll always be
dear
Implanted in your mind - forever to stay
They never can be taken away

So smile for the great times that you've had
Just thank the Lord and always be glad
To have had a friend so special and dear
For although he is gone, he'll always be
near

Nazareth Welcomes Two

Svein Berg, an exchange student from Norway arrived at Nazareth last September. It wasn't hard to recognize Svein, because he could normally be seen with a nap sack on his back. While attending NASHS, Svein participated in many extra-curricular activities. Besides being a great football punter, he was also a member of our track team. Svein, being an avid skier, frequently visited the New England states and also participated in a slalom race, in which he took first place.

Svein was also very active in photography and frequently visited New York and Philadelphia. Although he did not have a display in this year's art festival, he was greatly recognized for his photographic talents.

Svein was expected to graduate with the class of 1980, but he unexpectedly returned to Norway in the middle of May because he could not get a later flight that he expected after graduation.

Svein was a bit shy at first, but after being in Nazareth for a while, he made friends easily with everyone he came in contact with.

New Exchange Students

Claudia Matthieu, a junior exchange student from Santiago, Chile, has been a student at Nazareth for five months. While in Nazareth, she is staying with James Clemis and family. In her spare time, she enjoys bike riding and going places with her friends. Claudia likes the school as a whole, but she feels in the town of Nazareth "nothing happens," and it lacks in the activities she is used to in Chile. In Santiago, she enjoyed going to parties and dances.

While staying with the Clemises, she traveled to New York and saw many of the sights. Her curriculum included Anatomy, Trigonometry, Typing, Crafts, and Child Development. Claudia plans to leave the United States on July 5.

Popular Teachers Retire

Our student body has known since September that Quentin and Miriam Zell planned to retire at the close of this school year, but we just didn't want to believe it. School life without the good humor and magnetic personalities of the Zells will just not be the same. Always good sports and willing to participate in any skit or program which would be entertaining for us, they also were usually seen in the stands at all school programs and athletic events.

While devoted to building school spirit and promoting school functions, their main concern was to develop a contemporary program in our social studies department that is challenging and vital to every student.

Our student body and the entire staff join in expressing their sincere appreciation to the Zells for many years of dedicated service to the school district.

Apple of their grandparents eye are grandsons Christopher and Michael, sons of the Zells son Marlyn and his wife Terry.

ABOVE: Quentin and Miriam Zell portray characters from *HAMLET* at Shakespeare's birthday party. BELOW: Mrs. Zell prepares dinner as Mr. Zell and grandson Michael wait patiently.

Miriam and Quentin Zell dress up for our "Twin Day" during Spirit Week. RIGHT: Mr. Zell with his favorite pal, his dog.

Quentin Zell was graduated from Muhlenberg College with a B.S. degree, and received a Master's degree from Lehigh a few years later. During his years here, Mr. Zell has taught German, economics, history, sociology, and Problems of Democracy. He has been adviser to the Chess Club, the Stamp Collectors Club, and served as Co-adviser to the Blue and White Standard.

Miriam Zell was graduated from Susquehanna University and began her teaching career in our Junior High school. Two years later, she resigned that position to serve as Dean of Women at her University. She returned to Nazareth two years later to teach in the Social studies Department of the Senior High School. Mrs. Zell has served as Chairman of the Social Studies Department for a number of years.

In addition to her teaching duties, Mrs. Zell has been an adviser to the Honor Society, the Dramatic Club, and the Debating Club. Staff and students at Nazareth Area Senior High School express our sincere thanks to the Zells for their many years of dedicated service to us. We wish for them years of happy, healthy retirement years.

Nazareth has pride.
Throughout the  valley. Throughout the area.  To be involved at Nazareth is to be touched by a high school with  stature.

Student Life

It's An End, And A

For some people, dates are difficult to remember. The members of the Class of 1980 will have no difficulty remembering their graduation date: Friday the 13th of June, 1980.

Graduation was a time of many mixed emotions, a smile was easily replaced by tears. It was a happy time because the Class of '80 made it through high school without any major disturbances and a sad time because we knew it would be the last time we would be together as a class.

Commencement speakers Bonnie Coyle, Donna Stampf, and Lisa Busch touched on the problems which the Class of 1980 would face as adults. They were only reaffirming our own anxieties. For it was evident from the minute we got in our lines till we threw our hats in the air after the Alma Mater, that high school life was really over, and a new life lay ahead of us.

Fernwood...

Many activities included in the day were golf, softball, pool, boating, and horseback riding.

We're here!

June 11 finally arrived. Seniors eagerly awaited to board the chartered buses for a fun-filled day at Fernwood in the Poconos. Upon arriving, seniors found they had to wait over an hour for their rooms, but there were many activities to keep them busy. Horseback riding was a favorite for many seniors. Miniature golf was available for the less experienced and a 9-hole golf course was more challenging. Tennis courts, bicycles, and row boats appealed to many. Indoor and outdoor swimming pools awaited the seniors. Softball and volleyball games were set up. After dinner was served, the group "Magnum" played at the dance. While "Magnum" took their break, Larry Cascario played records. After the dance the buses were boarded with exhausted but happy seniors who would always remember the fantastic times the Class of 1980 had together.

Fun, games, competition, good food, as well as beautiful weather, were all a part of the 1980 Senior Class Festival. The day was a tremendous success due to the large turnout.

A variety of activities enjoyed by children of all ages included the barrel ride, dart throw, dunk the punk, dime pitch, and the basketball throw. The annual auction was also held.

The highlight of the day was the hilarious pie-eating contest. Mike Moeller emerged as the winner over six other competitors.

Entertainment featured an acrobatic routine on the balance beam by Pattie Ritter, a skit by Anita Sokasits and Kelly O'Hara, and songs by David Campbell, Jeff Lutz, Stephanie Rice, and Michele Zimmerman.

This was truly a day always to be remembered by the Class of '80.

Nazareth Escapes

It seemed as if this year's Nazareth Night at Dorney Park was very crowded, but it wasn't especially crowded with Nazareth people. In fact, there seemed to be a shortage of our own folks. But those who were there had an all around up and down kind of night.

The park's newest attraction was "The Sea Serpent," which is a Viking Ship with the head of a serpent at each end. The ship swings back and forth, with the crew facing the center, and getting a questionable thrill from the back and forth motion.

The usual favorites had the usual long lines: the Flying Bobs, the roller coaster, the Journey to the Center of the Earth, the Indy 500, and, of course, the Flying Dutchman. For those who were there, the fun and excitement of Dorney Park Night is one more memory.

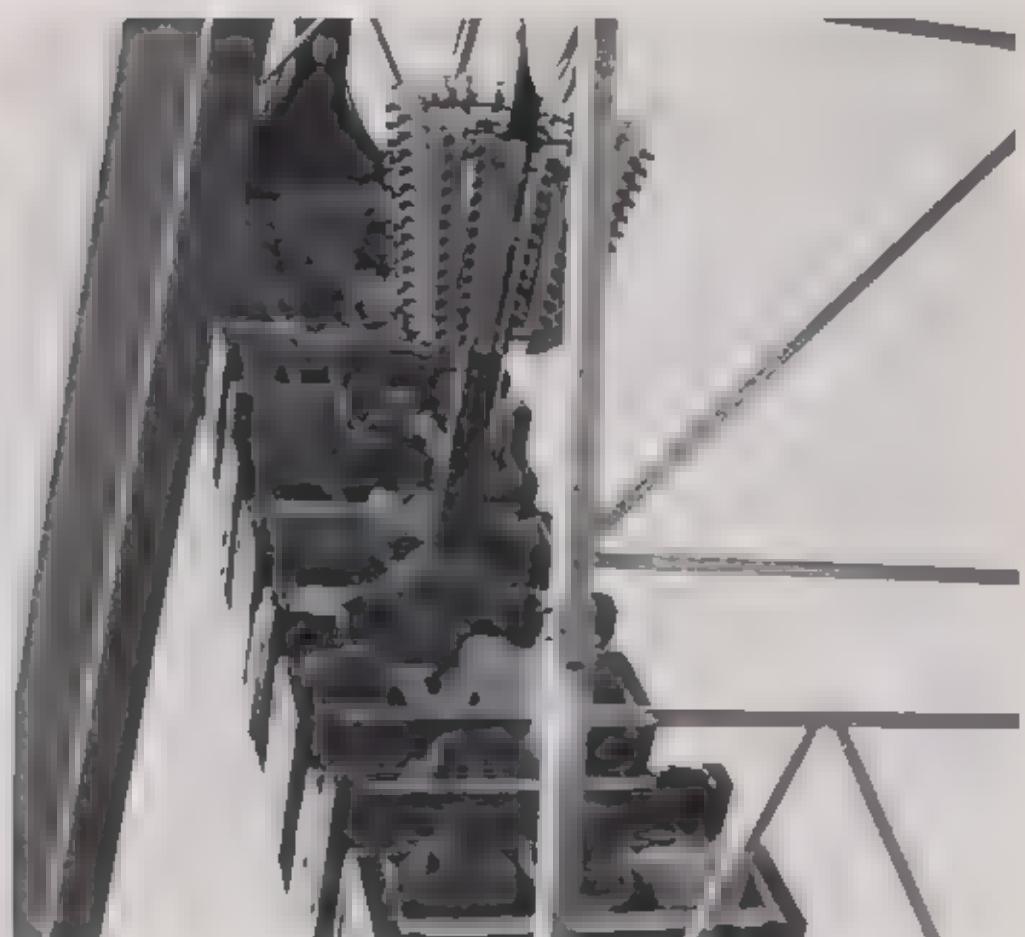

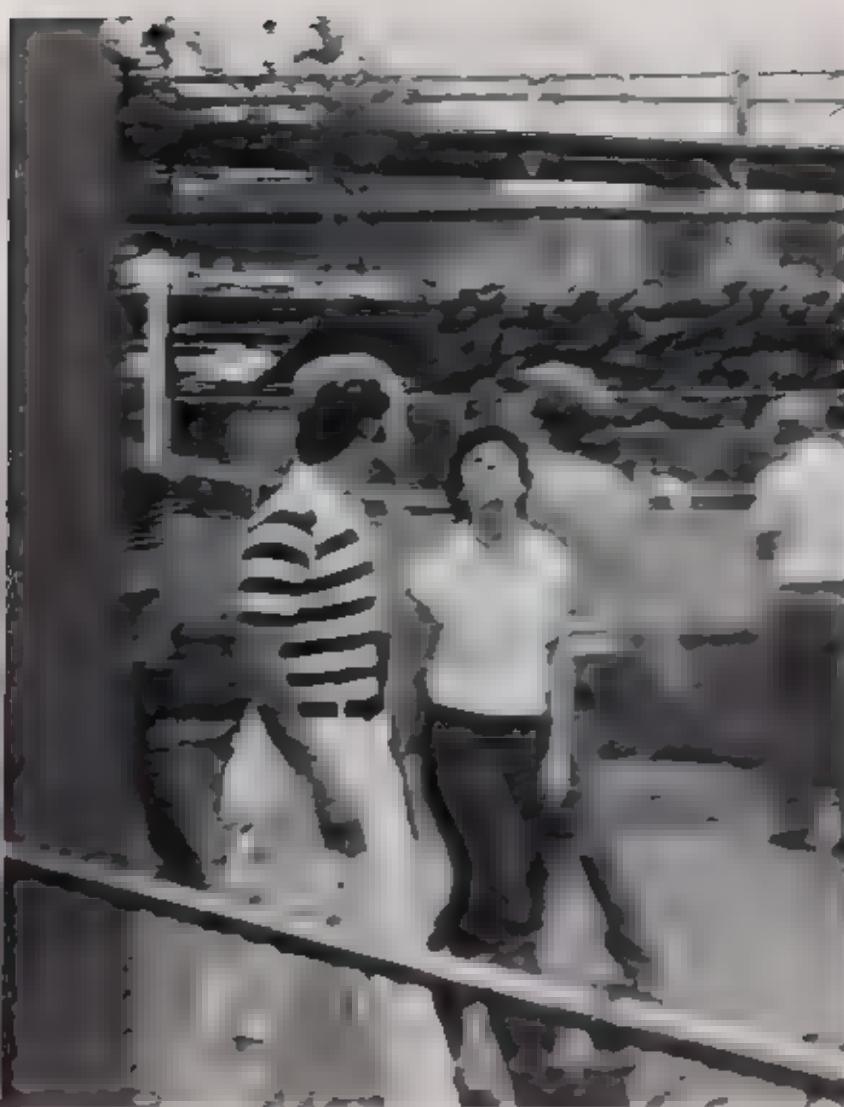

Everyone enjoyed the rides, but Mary Longenbach and her brother also enjoyed the view.

The 1980 Arts Festival was held in the Senior High Gymnasium on March 14-16. All types of artwork were displayed including crafts, photography, sewing, prints and watercolors. Students from kindergarten through Senior High displayed their talents. The artwork was judged by four qualified individuals.

Award winners from the Senior High in the Arts & Craft category are Patrice Lambert for first place, Tom Hartzell for second place, Lori Diehl and Janice Johnson for third place, and Patti Buskirk for Honorable Mention. Fine Arts display winners were Mark Bittner for first place, Lori Diehl for second, Lynn Trbuza and Patti Buskirk for third. Ellen Uding was awarded first place for photography, second place was awarded to Randy Ressler, third place was awarded to Lydia Siegfried, and Mark Bittner was awarded Honorable Mention.

Talent Shown

The Senor Class play entitled "Flowers For Algernon" is different this year in that it is of a serious nature.

The play centers around Charlie, a retarded man, portrayed by Gary LaJuennesse. Gary did an excellent job showing how a retarded person acts and thinks. He displayed the differences in attitude when Charlie was smart and when he was regressing.

Anita Sokasits, as Alice Kinnian, played the part well as Charlie's teacher.

Tanya Pristach and Michele Zimmerman both had to learn accents. The accents added something to their parts and were very well done.

Everyone did an exceptional job. The cast showed great enthusiasm. They enjoyed putting on the play so much that an encore performance was held.

Everything Went In

Long hours of practice and dancing finally paid off with opening night on April 24. Nazareth High School auditorium was turned into the S.S. America. The cast of "Anything Goes" took the audience back into the roaring twenties. The musical included times of humor, song, and dance.

The part of Billy, played by both Gary LaJeunesse and Tim McCarthy, was done extremely well. Marie DelRe, as Reno, played the part well with the help of her singing. In contrast to Reno's character, was that of Hope, portrayed by Ruth Yeakel.

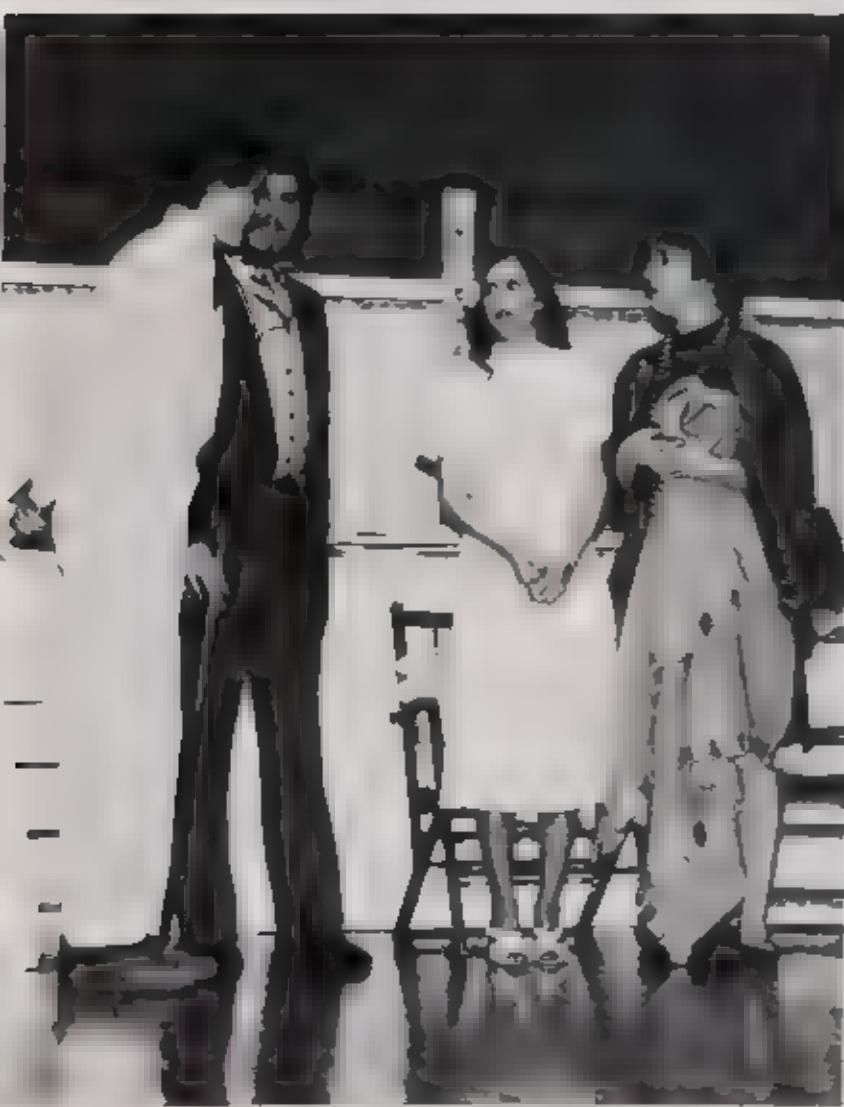

John Huber as Moonface, Michele Zimmerman as Bonnie, and Mike Knecht as Witney highlighted the script. The chorus and other actors and actresses such as the sailors and angels, made the musical a huge success.

...Big Success

Many excited children crowded into Nazareth High's auditorium to see "The Adventures of Pop-Corn Pete and the Witch's First Birthday." The children were greeted by Sleepy (Sue Pizzuto), Dozy (Kerri Skripek), Les Bender (Jim Albani), and Stan Straight (Todd Douglas). When the house lights finally dimmed the magic began.

Gary LaJuennesse shows his usual talent in his portrayal of Popcorn Pete the Clown. Jennifer Wolfe plays the wicked witch Repulsive. She shows true talent by playing a character who shrieks wickedly in the beginning and laughs joyfully in the end.

Kelly O'Hara portrays the little witch Gertrude. She shows the qualities of loyalty, love, and happiness in a traditionally evil character.

The entire cast brought laughter and enjoyment to many children as well as adults.

To start off the celebration, student players acted out a scene from the Merchant of Venice. The faculty players put on their version of Hamlet. Mr. Zell was excellent in his rendition of "tiny bubbles." Other activities of the day included a backgammon tournament and the movie "The Private Life of Henry the VIII." The movie was enjoyed by all although problems occurred with the film projector. The menu for the day was chicken, sausage and peppers, salad, bread, baked beans, cherry and grape punch, cakes, cookies, and the 100 lb. roasted pig, made with the spit and barbecue made by the metal shop. Everyone who celebrated William Shakespeare's birthday had a enjoyable time.

Stage Band Too

"Attention all band and bandfront members." This line, heard daily, was followed by a reminder of a practice session or a fund-raiser meeting. Both were important. Practices led to first-class performances and successful competitions, with the end result of a job well done. Fund raisers provided the funds for the planned band trip in Spring.

The Band does not always perform as a whole band. During the year they became the Concert Band, the Brass Choir, or the Woodwind Ensemble. Other times they become our slick Marching Band, playing, spinning, and twirling during their performances.

Band Director William Boardl said, "My biggest thrill this year was taking first place in the Heritage Music Festival in Connecticut, and beating several larger bands in overall music scoring." Credit must be given to Mr. Earl Peck and the Stage Band, who have made tremendous progress in their three short years of performing.

Memories

BELOW: Connie Ferraro helps to decorate the cafeteria for the banquet.

The Twelfth Annual Band Banquet held in the school cafeteria was not just for the members of the senior band, for all band members receive awards. All three-year members receive trophies, two-year members are awarded a letter, and one-year members receive a certificate.

But the evening didn't start with awards. After finding a seat, the major task of the evening, dinner was served following the invocation by the Rev. Alfred Long.

Following dinner, introductions, and remarks by the president of the Band Aides, the band members finally came to their moment of recognition. As awards were presented and pictures were taken, the formal part of the evening ended.

Johnny Dean, a DJ from System One, did an outstanding job providing the music for dancing.

Band/Chorus N.Y.

ABOVE: Mr. Ronnie Meixsell, band director of the Shorham-Wading River High School, with our three music directors.

On Friday, March 28, at 8:00 band instrumentalists, the Jazz and Show Choir, the Concert Choir, Mr. William Boardl, Mr. William Hamilton, and eleven chaperones boarded the busses for the Shorham-Wading River High School in Long Island for an exchange trip and concert. Why an exchange with this particular school? Mr. Ronnie Meixsell is their band director, and he is a former Nazareth resident, so why not?

After being treated to a meal and a tour of the school, rehearsal began for the evening's concert. Following rehearsal, we had a new experience: meeting the families we were to live with for the next 15 hours - which sometimes can be longer than you expect.

The concert was great, but an even greater experience was the dance which followed, with plenty of food and fellowship.

ABOVE: Chorus members, a bit tired, board the bus for home.

3 Choruses With

Sheet music, voices, a piano, and a director are common ingredients for all choirs. But here at Nazareth, we have a bit more. Some voices may be heard in more than one choir, but all Choirs have as their director Mr. William Hamilton, an enthusiastic, multi-talented leader. All schools have a Concert Choir, but ours works harder, sacrifices more time, and, as a result, sound better.

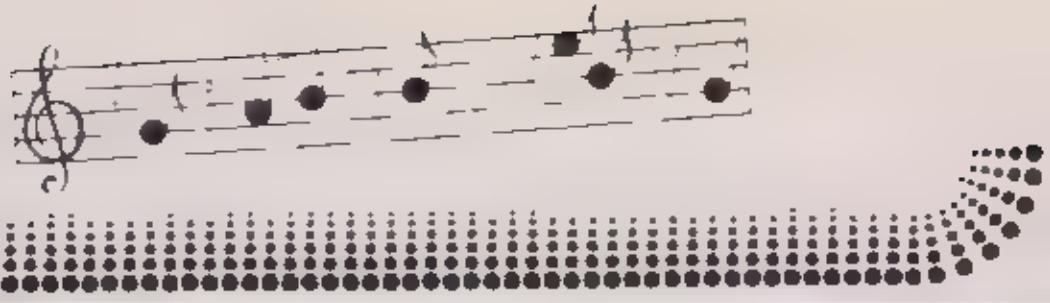

Our all-girl Treble Singers enjoy singing popular and ballad songs, and perform wearing matching, attractive outfits.

So we come to the Jazz and Show Choir, who not only are talented singers, but perform coordinated dance routines. Many of their numbers are hits from popular Broadway shows. This group also designs and creates their own costumes.

Recognition

Our Nazareth High School students prove they have talent as they receive recognition for their individual achievements.

Kim Wuest was chosen for the Daughters of the American Revolution Award. Mike Knecht received the Sons of the American Revolution Award. Kathy Lesh, Jeff Lutz, Anita Sckasits, Rich Skripek, and Michele Zimmerman participated in District Chorus. Rich, Michele, Jeff, and Kathy also participated in Regional Chorus. Bob Sell, Dave Lesh, Mike Knecht and Steve Slusser were members of the Scholastic Scrimmage Team.

Two students participated at the Bucks County Playhouse in New Hope on May 8. "Hopscotch" was the play selected, with Cindy Auerbach and Andy Hopwood acting the roles of Elsa and Will. Judges awarded Cindy a trophy for best actress and Andy a certificate for excellence in acting.

Student Council

STUDENT COUNCIL gives students a chance to voice their opinion. Members of all three classes make up council. Activities started with Homecoming floats and the assembly. Dances were planned and a kids movie was shown to raise money. The council could not have been a success without the help of President Kim Wuest, Vice-president Shelley Anthony, Secretary Bonnie Coyle and Treasurer Jim Shiffert.

At the beginning of the year the **NATIONAL HONOR SOCIETY** met and held a banquet at Walp's Restaurant. Principal Claude E. Shappelle congratulated new members. Honor students enjoy the use of the Honor pass and room that is available to go to study or relax. Miss Joan Paul is the advisor. The officers are President Bonnie Coyle, Vice-president Steve Marakovits, Secretary Lisa Bush and Treasurer Brian Wagner.

Is All Here

A variety of interests are served by our many clubs and activities. They range from Ski Group, Key Club, Chess Club, and Weightlifting to Stage Crew, Tutoring, FHA, FBLA, and Magazine Campaign Staff.

FBLA is part of the State and National Organization of business students in which members compete in areas such as Typing, Shorthand, Accounting, and Math.

A number of mornings FHA would be found providing nutritious breakfasts for everyone. They also attended a state convention where state officers were elected.

Stage Crew members provided sound and lighting and constructed sets for all school shows.

Key Club is a service club developed to serve the school and community. They held a benefit basketball game against WEEZ.

With Experience

VO-TECH was started in 1972. This new modern building holds 24 shops. The primary purpose of VO-TECH is to prepare youth for employment. Those who attend the school are able to develop the skills and attitude needed for successful employment. Most of its graduates are able to enter the job market in their preferred careers immediately after graduation. VO-TECH is open to anyone wishing to come. The only requirements are that you must meet your home school regulations. If more applicants apply than room allows, the home school counselor looks over the student's choice to see if the student has the proper preparation for the course. If not, he may recommend that the student try his second choice. Since the courses are aimed at preparing for immediate employment, most of the courses are for three years.

Royalty Reigns at

Overwhelmed with all the work which had to be done after Student Council chose "Eras in Time" as the 1979 theme, each class formed committees and began to build floats. Clever thinking and tedious work won the Sophomore Class the "1979 Best Float" award.

Friday evening the parade finally got underway, and the floats and the Court were displayed. Good weather, high spirit, and excited fans were just a few of the factors which contributed to the Eagles win over the Saucon Valley Panthers, with a score of 45-0.

Halftime festivities were entertaining and nerve wracking as the band performed and the Homecoming Court was escorted across the field. Fans cheered with approval as Karen Harper was crowned 1979 Homecoming Queen. Saturday night's dance provided entertainment by Exciter.

Controversial Copy

It may seem that whenever the Blue and White staff is seen, they are wandering the halls, hanging around at the sinks or just getting rowdy in class. However, contrary to public opinion, the staff does get some work accomplished.

Each month this staff has the responsibility of getting an entire paper published, which includes not only writing copy, but many other diversified areas as well. Even though getting a newspaper from the reporter to the reader can be a tough job, there are some rewarding moments.

In addition to the Blue and White Standard, a sub-standard is published monthly. This paper was created by last year's journalism class in order to keep the student body better informed of news and activities which occur between publications of the Standard. Although this paper requires more interviews and reporting, the outcome is worth the effort.

Pictures, Headlines,

The flurry of activity heard in Room 18 during eighth period every day was the COMET staff beginning its year-long task.

Under the helpful and capable leadership of Mrs. Belva Kolesar and assisted by Mr. Peter Newman, members tackled the responsibility of writing copy, scheduling pictures, working on layouts, and meeting deadlines for the 1980 edition of the COMET.

One of the first major decisions the staff had to make was the color and design of the yearbook cover. Following a period of dissension a vote was taken, and the decision was made to use a maroon cover with gold lettering. Andy Hopwood provided the artwork for the cover.

Despite being an unusually small staff, the group worked well together to produce an outstanding yearbook.

Varsity Football Team Breaks Records

Breaking records seemed to come easy for the 1979 Varsity Football Team. Ending the season with a record of nine wins and only two losses, the team allowed its opponents to score only 48 points.

Defensively, the Eagles were impenetrable. Setting a new record, they shut out seven of the eleven teams they played. Adding to the defense's success was Harry Fatzinger, who set records for the most tackles and quarterback "sacks" in one season.

Offensively, the Eagles also proved to be superior. Breaking a record held since 1951, the offense ruched for 2,533 yards. Senior Frank Starner also set an individual record for the most rushing attempts in a season with 255 total carries.

Although the team will be losing twelve very talented seniors, many experienced underclassmen will be returning. Since this year's JV team lost only one game, the members should also prove to be an invaluable asset to next year's team.

Although the Girl's Field Hockey team lost more games than they won, the 1979 season was not unsuccessful. The field hockey team ended the season with a 6-12 record, but fans fail to realize that the team lost a majority of their games by one point spreads.

The Eaglettes' success was due in part to the strong defense the team possessed. Goalies Pam Frey and Kim Dech combined for a total of 215 saves this season. The team allowed opponents to score only 1.8 points a game, while Nazareth scored an average of 1.2 points a game.

Nazareth had a determined offense, which was sparked by Kathy Reid who led all players with ten goals. This year's team, was under the direction of Nick Drosnock and Frank Krisch, who are both first timers. Both coaches felt the team's accomplishments were made possible through teamwork, determination, attitude, and the team's willingness to put hours of hard work into their practices.

Improvement was the key to the 1979 golf team. With encouragement and guidance from Coach Donald Frederick, the team improved from a 0-13 record of last year to a more successful record of 4-9 in the 1979 golf season.

Seniors Todd Santo and Larry Finnegan occupied the top two positions on the team with averages of 92 and 94, respectively. Underclassmen Lou Skrapits, Doug Keck, and Mark Newell performed equally well in the next three positions with averages of 95, 102, and 103, respectively. Other members of the team were instrumental to the top five players by giving support and encouragement throughout the season.

Practices were held every day after school at the Green Pond Country Club. Each member of the team worked diligently and with determination even though only the top five players participated in the matches. With three lettermen returning next year, the 1980-1981 golf team should prove to be one of the tougher teams to beat in the Colonial League.

Girls' Tennis Team Serves Up A Winning Season

With ten wins and only four losses, the 1979 Girl's Tennis Team placed third in the Colonial League. Under the guidance of Coach Debra Gibbs, the team has had their most successful season.

Practices began in the middle of August to prepare the girls for the season. Drills, exercises, and challenge matches filled the daily three hour sessions. When the first match rolled around, the girls were prepared both mentally and physically. Terri Reid, Bonnie Coyle, Donna Stampf, and Jane Ann McClure were the four top seeded players. Around mid-season, Lori Diehl replaced Jane Ann at the number four position. Sue Dlugos and Terri Patoki played a majority of the matches at the third doubles position. Dana Joseph, Cindy Koehler, and Lisa Phillips also participated in several matches.

Overall, Coach Gibbs and the team were pleased with the successful season. With the experience gained from this year, the returning players should have another good season.

Cross Country Team Runs Into Difficulty

Although the 1979 Cross Country Team finished with a record of 5-11, the season was successful. Under the direction of first year coach, Ingrid Simke, the members of the team worked extremely hard at practices, got along well with teammates, and felt that what they were doing was valuable.

The main problem the team encountered was a lack of experience. Both teams were young and inexperienced, and both felt that they could have done better with the talent they had. The team could never quite get everything together on the same day.

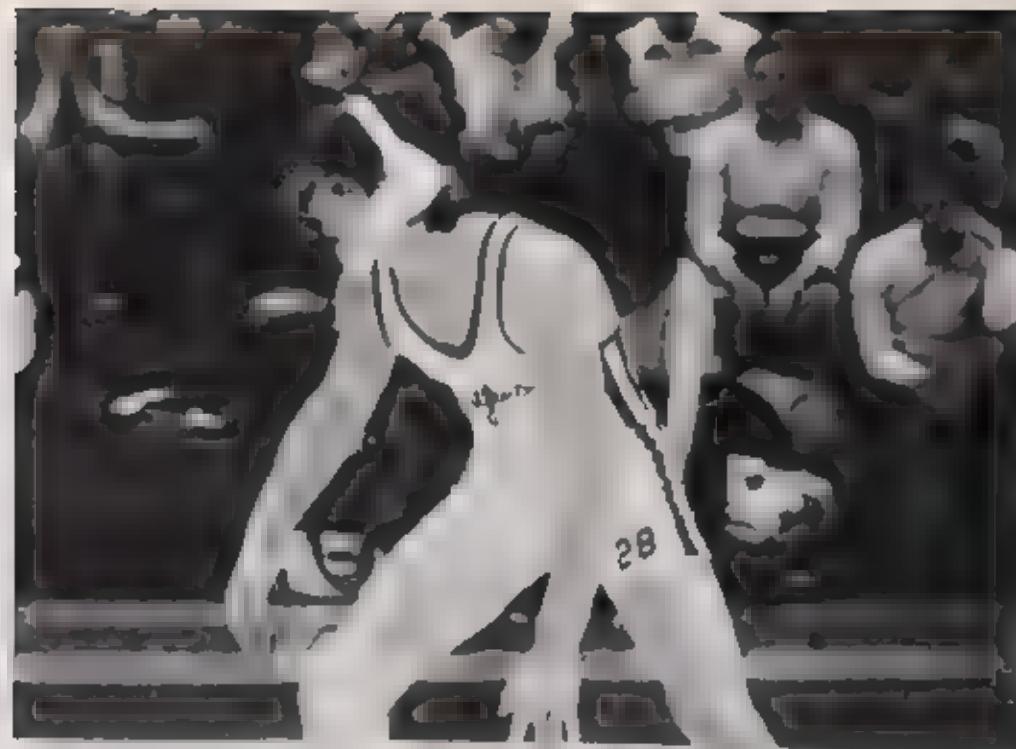

The boy's team was sparked by captain and four-year letterman Joe Johnson, who placed 1st in the League Meet, and 3rd in the district II meet. Amy DeRaymond, the only returning letterman from last year, was the captain of the girl's team.

Both teams have benefited from this year's experience and are looking forward to the future.

This year's wrestling squad performed exceptionally well throughout the season - both individually and as a team. With only one loss to Saucon Valley in an extremely close match, the Blue Eagles placed second in the Colonial League. Their league record was 7-1, and their overall record was 9-6-1 with most of their losses coming from non-league opponents.

Our Blue Eagles also performed impressively outside of the regularly scheduled matches. In the league tournament at Saucon Valley, Bruce Shoemaker took a first place. Greg Noll, Jim Albanese, and Brett Fehnel came in second, and Jody Pettis, Lee Ashenfelder, and Ernie Arduini took third places at their respective weights. In the Christmas City tournament, Mark Daney, Albanese, and Shoemaker came in third. Finally, in district competition, Shoemaker and Fehnel took third places while Pettis came in fourth.

With only four seniors graduating, next year's wrestling squad should again prove to be one of the toughest and most respected teams in the area.

Inconsistency Haunts Girls' Basketball Team

Inconsistency was a problem that haunted the 1979-1980 Girl's Basketball Team. Although the team was dedicated, talented, and aggressive, the Eaglettes had trouble combining all their talents on a given day.

The main problem the team encountered was periods of flat shooting from the floor. It was an everyday occurrence for the Eaglettes to have an eight point lead at half time, and lose in the fourth quarter because of poor shooting.

Co-captains Terri Reid and Jody Roth felt that team unity, desire to excel, and the tremendous attitude shared by team members made the sacrifice, hard work, and dedication worthwhile.

Although the 5-23 record was a disappointment to the team and to Head Coach Frank Krisch, the team is very optimistic about the future. Eight varsity players will return again next year, since only two seniors will be leaving the team.

Boys' Basketball Team Compiles Most Wins Ever

Finishing with an impressive record of 24 wins and only 6 losses, the 1980 boys' basketball team broke last year's school record for the most wins in one season. In league play the Blue Eagles proved to be indestructible by completely dominating all the other teams. With a 16-0 record, there was no doubt in anyone's mind that the Blue Eagles were by far the best team in the league.

Our team fought long and hard to reach the finals in District Competition, only to lose to Palmerton in a very close and exciting finale. Moving into Inter-District Playoff Competition, the determined cagers also performed admirably. Defeating Unionville, the boys advanced to the second round against GAR, which was further than any other team from Nazareth reached.

Working together, the boys produced one of the best seasons ever. With four players graduating, the remaining players will have to put forth a lot of effort to match this year's team's accomplishments.

Volleyball Team Encounters Tough Competition

Our 1980 Girls' Volleyball Team, under the able coaching of Sally Hallman, finished its season with a 5-12 overall record. In addition to being an independent team in the East Penn League, the girls also participated in a round robin situation with teams from Quakertown, Souderton, and Hatboro. Although there were less wins than losses, the Eaglettes were much more competitive and aggressive than in previous years of play.

There were several outstanding players who contributed tremendously throughout the season. Motivation and spirit came from Captain Laurie Soffera. Gwen Fenner, Chris Dech, and Janet Gradwohl were the serving aces of the team. Joann Gallo was known for her spiking ability and forearm passing. Attacking plays were nailed down by Louise Getz, and Kathy Behrens' hustle helped to keep Nazareth in the game.

Many members of the team were underclassmen. Head Coach Sally Hallman has "great expectations for next year with all the returning underclass players."

Baseball Team Seeded First In District XI Tournament

The hours of hard work which were spent preparing for the 1980 baseball season were well worth the effort to Coach John Roanoke and the varsity baseball team. This year's team ended the first half of the Colonial season in a three-way tie for first place. They finished the season with an impressive 14-6 record, which earned them the top seed in the District XI Tournament.

Experience was the key to Nazareth's successful season. Coach Roanoke relied on the talents of 7 returning lettermen: Joe Weber, Larry Finnegan, Rich Woodward, John Fritchman, Bob Kelchner, Steve Marakovits, and Harry Fatzinger.

The team started the season off on a good foot, and continued to improve throughout the season. During the second half of the season, the team improved its hitting average and was able to cut down on the number of errors made. With only three regular starters graduating, the team is looking forward to the 1981 season.

Girls' Softball Team Catches A Winning Season

Finishing the season with a record of thirteen wins and four losses, the Varsity Softball Team turned in an outstanding performance. Only Southern Lehigh, Catasauqua, and Palisades were able to defeat the tough Eagle team. Playing well together, the girls were able to beat all other teams, often by wide margins. Coached by Regina Chassard and Assistant Coach Donald Frederick, the girls combined their individual talents to create a successful team. New to the softball scene this year was Peter Newman, who coached the Junior Varsity team.

Led by captains Terri Reid and Pam Frey, the girls worked hard all season. Combining determination and experience, the team was able to compile a winning record.

Several excellent players will be graduating this year, so the team will have to do some rebuilding for next year. With a good attitude and hard work, the returning girls should be able to produce another successful season.

Track Teams Finish With Outstanding Performances

The 1980 track season was not the best in Nazareth history, but it was certainly not the worst. Under the direction of Coach Ron Lewis, the boy's and girl's track teams finished with records of 4-4 and 7-2 in Colonial League action.

This year's track team had many outstanding individuals who took league and district honors. The boy's team was sparked by Al Smith, Joe Johnson, Len Ihle, Will Crane, and Todd Seip, who consistently took first, second, and third places throughout the season.

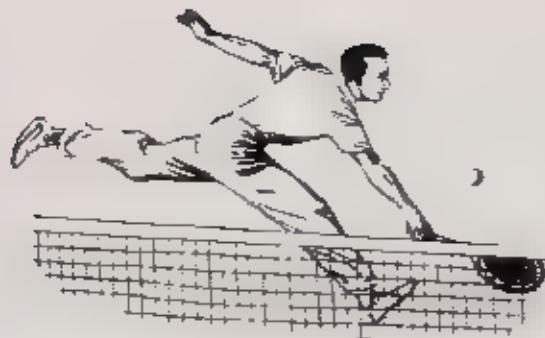

Amy DeRaymond, Sherri Messinger, Carol Schneebli, Karen Harper, Rose Miller, and Robin Crane were talented performers whose dedication helped the girl's track team immensely.

The major problem confronting the team was lack of experience. Both teams were forced to rely on freshmen, who proved that attitude and raw talent could be a source of needed depth.

Boys' Tennis Team Builds For A Strong Future

The 1980 Boys' Tennis Team did not meet with very much success this season. Under the able guidance of Head Coach Robert Hallman, the Blue Eagles had a hard time getting points against extremely tough Colonial League leaders such as Wilson, Salisbury, and Saucon Valley. Scrimmages in the beginning of the season against Northampton and Pocono Mountain helped to give the Young team some on the court experience before playing the regularly scheduled league matches throughout the season.

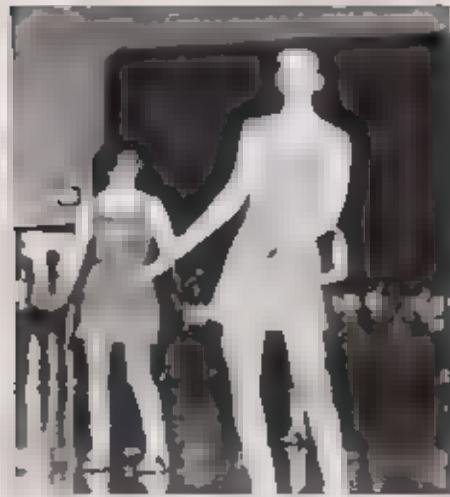

Inexperience hindered the team's success this season. The number one seed, Keith Behrens, was a freshman. Jeff Recker, a junior, played in both the second and third positions as well as sophomore Chris Reid. Doug Keck, another sophomore filled in the fourth singles position. Two freshmen, Tim Stampf and Dwayne Snyder, played third doubles.

With no graduating seniors on the team, and the experience gained, Nazareth should be able to look for successful teams in the near future.

Cheerleaders Put Time And Effort Into New System

This year a new system became effective for the cheerleaders. The Varsity and Junior Varsity Squads cheered at only football and basketball games. A special squad was created to cheer for wrestling. Most of the girls felt the change was worthwhile. They could concentrate more on one sport, instead of having to split their time between two sports at one time.

Led by Captain Mary Brown and Co-captain Doretta Kilpatrick, the Varsity Squad was very successful at cheerleading camp. Karen Harper was chosen best cheerleader, and the group placed among the top five teams in competition. The girls were busy throughout the year making posters and hoops, and holding a cheerleading clinic. They also cheered at the LARC basketball game late in March, since our boys were league champions.

With nine seniors on this year's team, there will be many available positions next year for girls to become involved in a very worthwhile activity.

Nazareth is fortunate. Throughout the valley. Throughout the area. To be a faculty member at Nazareth is to give a high school great educational stature.

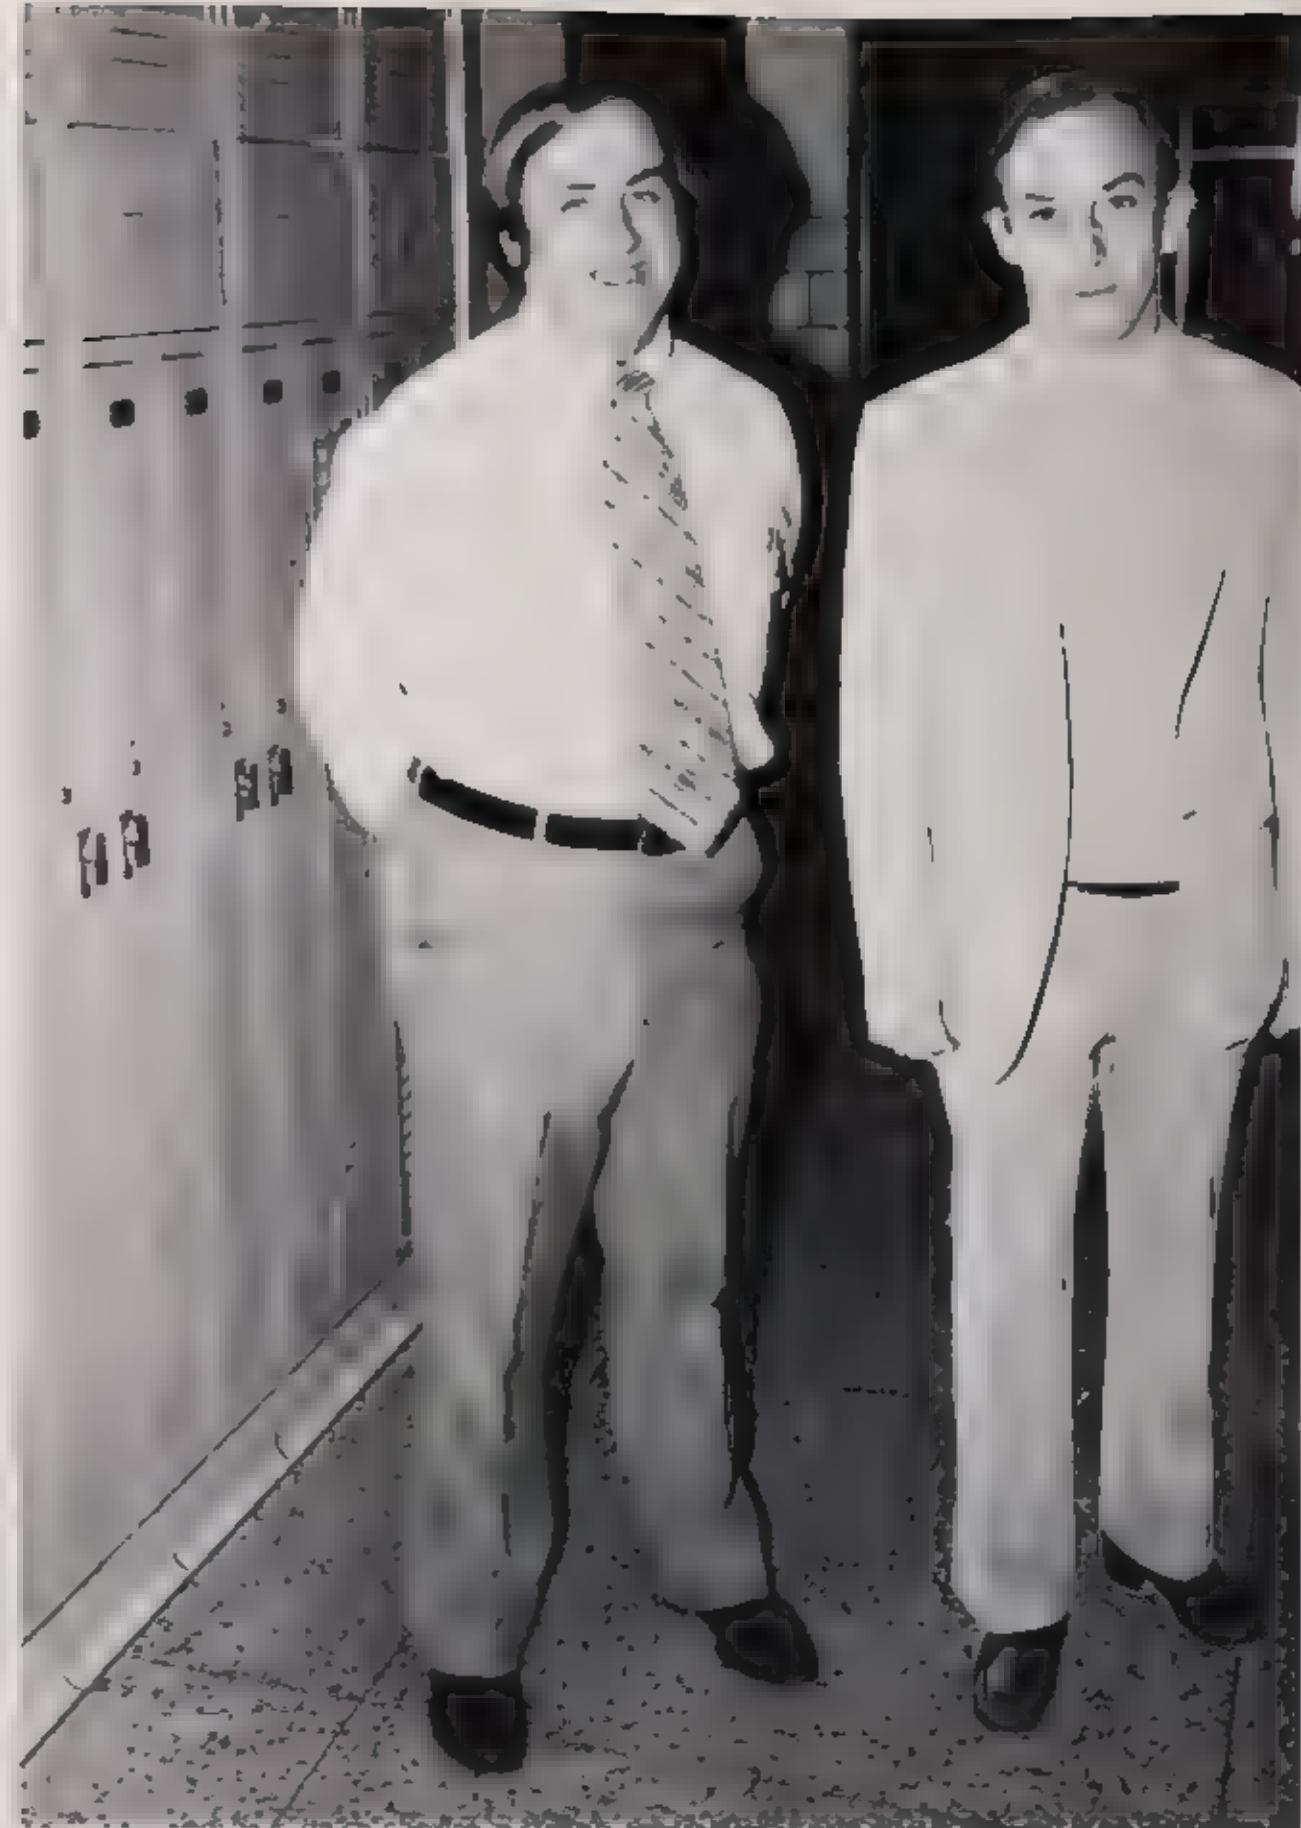

Faculty

Students from Nazareth High School who enter the military service or who participate in an athletic program at a college or university all attest to the fine conditioning program they have undergone here. All of our coaches are dedicated people who work very hard to make sure we are all physically fit.

Social Studies teacher RONALD LEWIS coaches football and track. DONALD FREDERICK is our golf coach and assists REGINA CHASSARD with softball. Colorful DANIEL KEMETER's biggest problem is keeping his emotions under control during a basketball game. Everyone's favorite teacher INGRID SIMKI keeps herself and her cross country team in shape with frequent workouts. Head football coach JERRY TREON is an instructor in our Math Department.

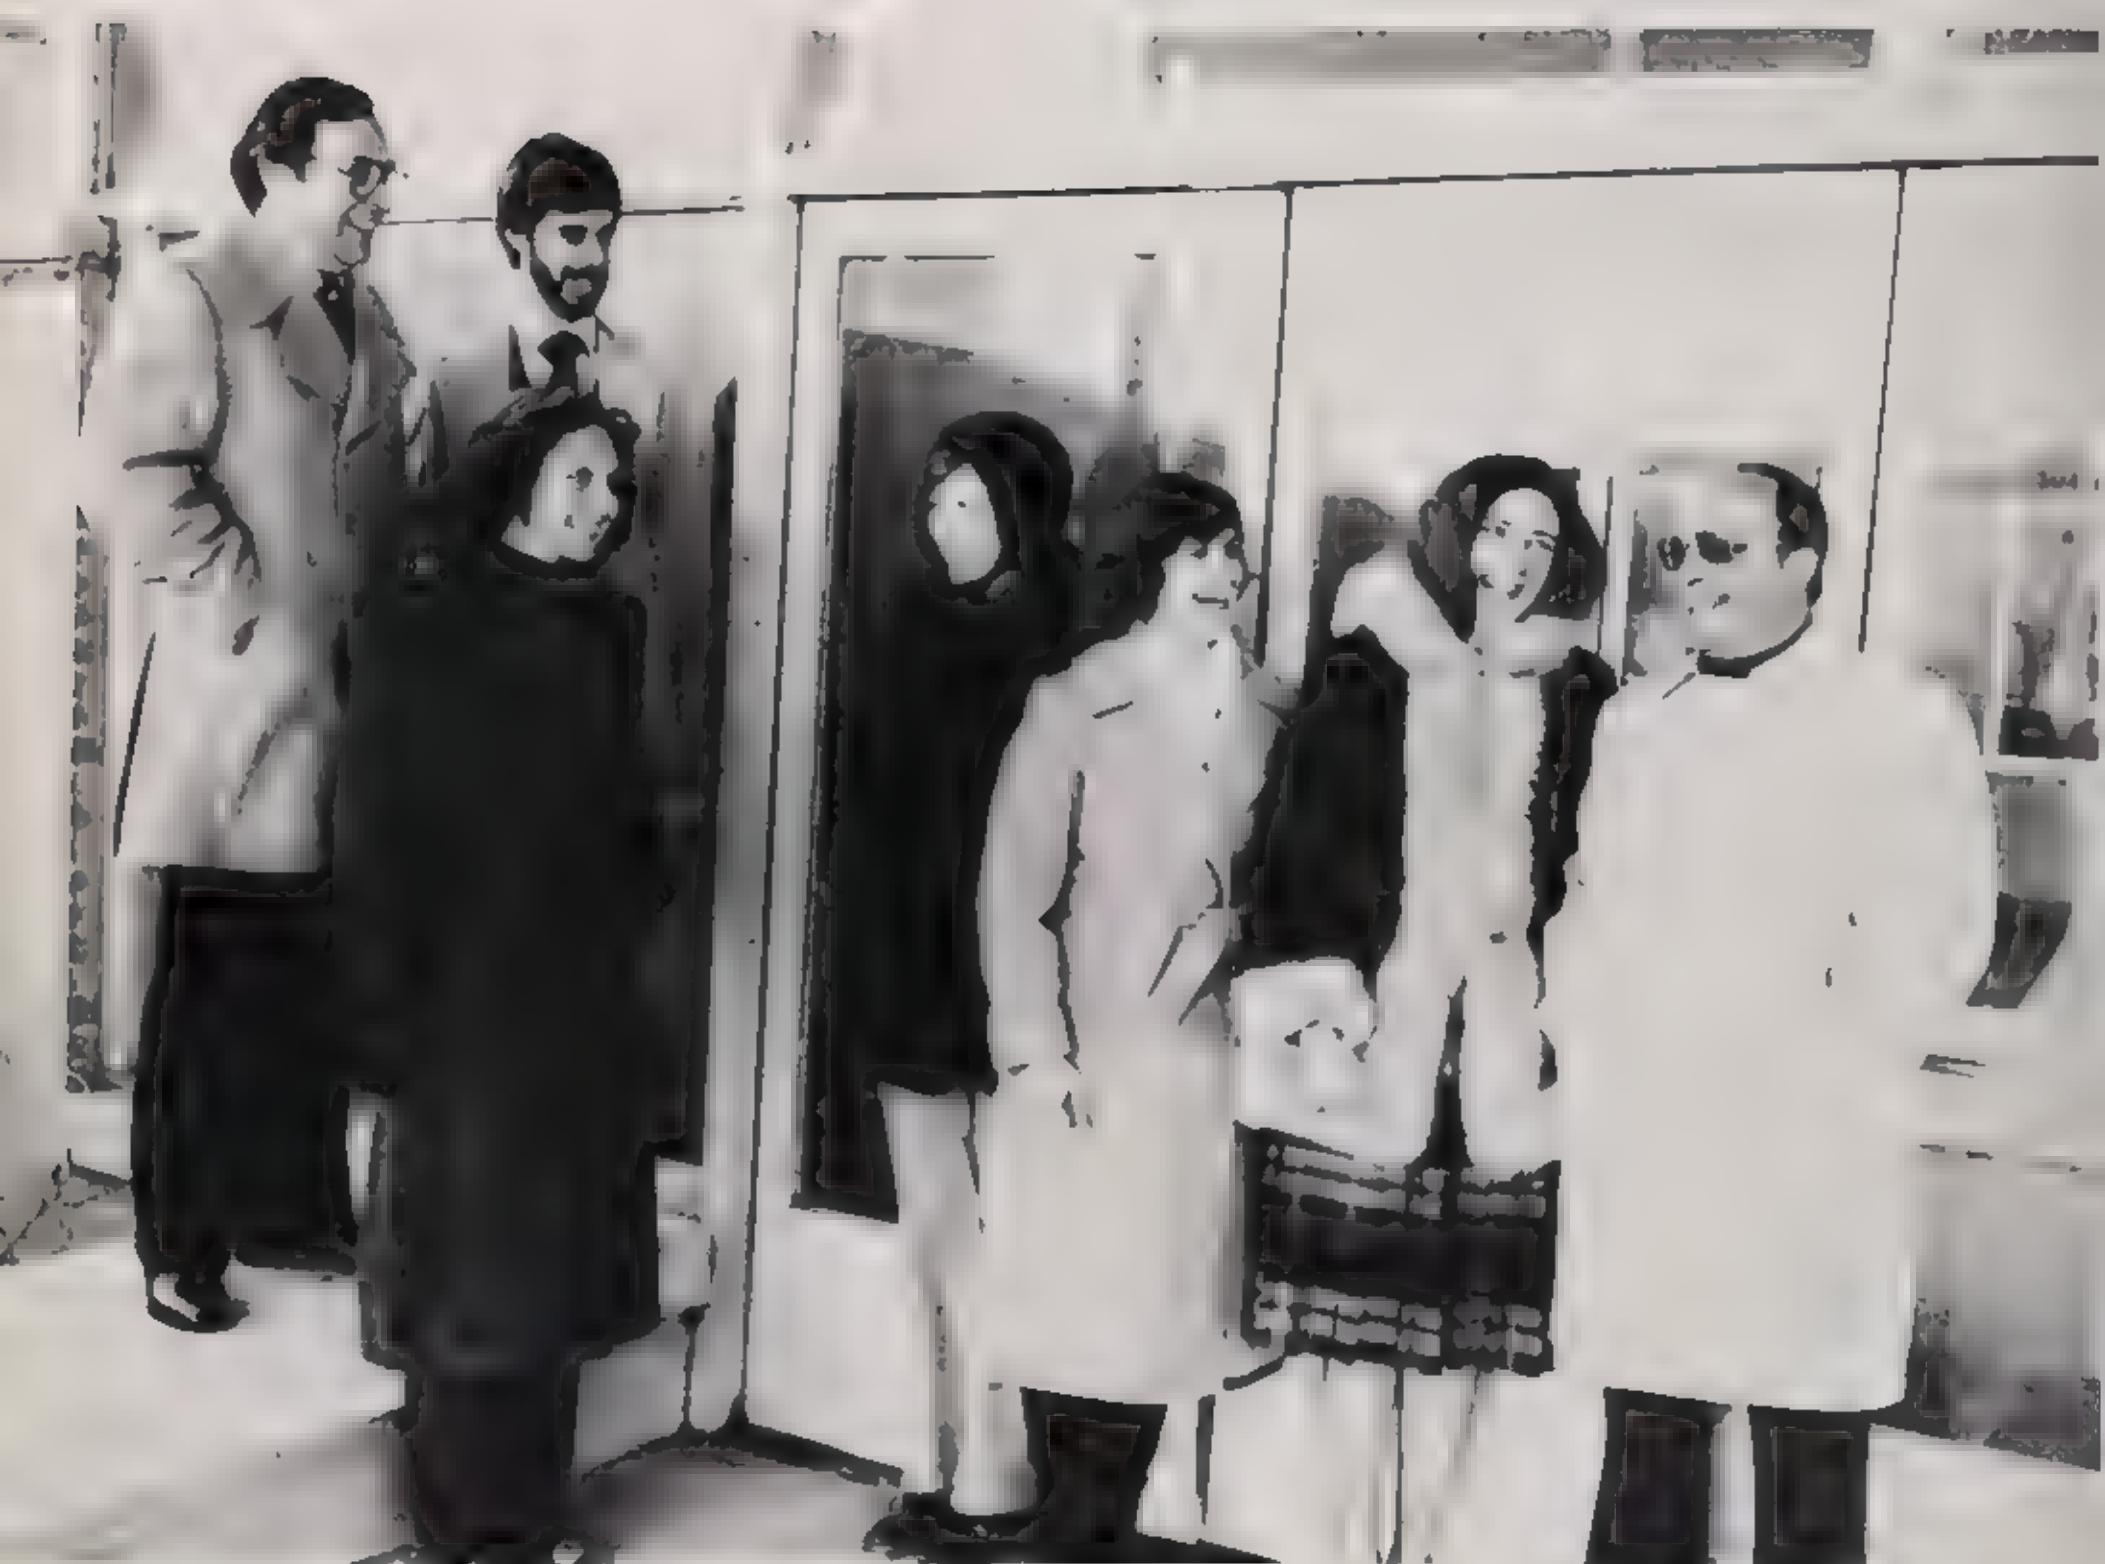

Driver Education teachers FRANK KRISCH and NICK DROSNOCK are coaches of basketball, field hockey, and baseball. Popular wrestling coach RAY NUNAMKER never lets his team forget the importance of keeping in top physical condition. ROBERT HOLLAND assists with both football and track. Head baseball coach JOHN ROANOKE is an instructor in our metal shop.

OUR TALENTED FACULTY COACHES VS

OUR PATIENT FACULTY UNDERSTANDS US

School life for today's high school students would be just about impossible if we didn't have someone to listen to our concerns and problems. We are fortunate at Nazareth High School to have a faculty who will not only talk to us but who will also earnestly try to help us find solutions to our personal problems.

Art Instructor ROBERT LICHNER makes every effort possible to train us in every media of art education. Reading teacher DONNA PANICK spends hours and hours assisting us with reading problems. BRUCE OLLWERTHER gives us opportunity to fill leisure hours with his program in the wood shop. Chemistry teacher BARBARA SALTERN'S major concern is to give us a firm background in the sciences.

DIANE WERKHEISER, at our senior high school for the first year, assists Miss Panick in the reading program. DOLORES CORRADETTI, who is our German teacher, is always willing to spend extra time trying to polish our German accent. Sophomore English teacher JAMES EVANKO is also our ardent backgammon expert. MIRIAM ZELL, who is chairperson of the social studies department, will be missed by both students and staff as she retires this year. GAIL BAYARSKY keeps us in touch with the employment world. KAREN HALBIG, home economics teacher, replaced Kathy Kunkle at the beginning of the second term.

All of life's experiences have to contain a certain amount of discipline to train us for both physical and mental requirements.

All class work in Senior English, taught by JOHN COKEFAJR, is an attempt to develop our powers of reasoning. Athletic trainer BIFF STANNARD, on the other hand, is primarily interested in our physical well-being, as is physical education instructor GARY THORNE. In a different, but equally important area, band director WILLIAM BOANDL gives us training in the field of music. RUTH ANN McCAY, who also is a physical education instructor, advises our cheerleading squads.

In still another direction, EVELYN KILPATRICK trains our business students for careers in shorthand and office practice. School nurse MARION WHITESELL tends to our physical emergencies. Accounting teacher ANDREA NEWMAN has opened up a whole new interest in the field of business. French teacher JOAN PAUL is also adviser to the Honor Society. First-year JUDITH PEZZONI, organized and advised the FBLA Club.

OUR DEDICATED FACULTY CONDITIONS US

OUR HUMOROUS FACULTY ENTERTAINS US

Any well-rounded school program has to have a balanced mixture of work and relaxation. Our faculty enjoys an unusually fine rapport with the student body, mostly due to the individual personalities of the staff. Our teachers are always anxious to include a lighter side to any situation.

Physics instructor GARY LAZO is adviser to the Chess Club. Never one to have an idle moment, Senior Class Adviser SHERWOOD FREDERICK is both teacher and friend. A man of many interests and talents, Senior English mentor PETER NEWMAN can always be counted upon to surprise us with the unexpected illustration. Chairperson of the Business Education Department BELVA KOLESSAR is also our yearbook adviser.

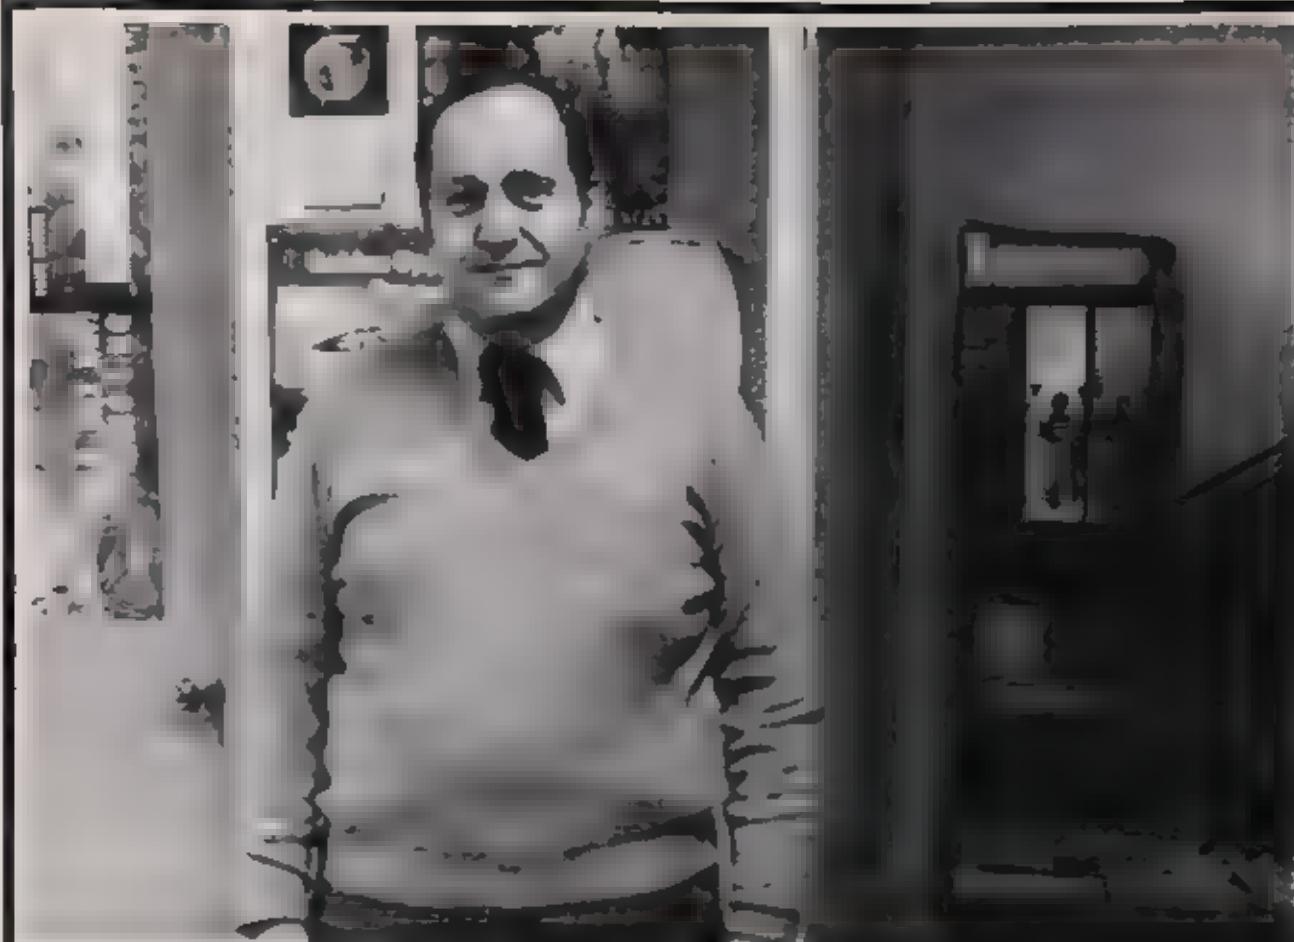

WILLIAM HAMILTON is responsible for the choral program in our school, while EARL PECK has turned our stage band members into super-fantastic performers. ALAN MILLER can do just about anything, from perform on the stage to repair a television set. QUENTIN ZELL, who has decided to retire this year, loves to rush home after school to play with his puppy. How many high school's can boast of a principal who loves the same music we do? CLAUDE SHAPPELLE is equally talented in not only one, but several musical instruments. Science teacher MICHELE PARVENSKY can hardly wait for vacation time to return to Utah.

Any school program can be successful only through the dedicated efforts of supportive staffs. Secretaries and clerks in the administrative offices are responsible for a myriad of tasks which range from keeping record of daily attendance to checking the thousands of purchase orders for instructional materials.

Guidance personnel assist in administering our testing programs, in the selection of colleges and trade schools, and in making certain that every student will have earned the required number of school credits for graduation.

Underclass Guidance Counselor MARLYN ROTH works primarily with the sophomore class and with all the business education students. RUTHANN EMIG and JANET GUM assist Librarian SHARON ADAMS with the gigantic task of maintaining a modern, up-to-date library. Senior DORETTA KILPATRICK spends a part of every day assisting LORETTA KELLER keep accurate attendance records. Secretary LAURA HARDING keeps thousands of details and policies in order, while JOYCE FLOWERS processes as many student transcripts. The familiar voice heard over the intercall system belongs to NANCY BIGGAR. Guidance Counselor JAMES JORDAN plans interviews with college and service recruiters.

OUR GIFTED STAFF GUIDES US

OUR STRICT FACULTY DISCIPLINES US

One of the unpleasant duties of every teacher is the task of maintaining discipline, not only in the classroom but also throughout the entire school. While methods and theories of classroom conduct are as varied as the personality of the teacher, it is only through cooperation and conscious effort by everyone that utter chaos can be avoided.

Principal of our Senior High School Claude Shappelle and Vice Principal David Price have the enormous task of enforcing school board policies. Mr. Shappelle constantly supervises the staff, reviews and revises the curriculum, and reevaluates and recommends school policy. Mr. Price has the responsibility of supervising and directing student discipline and assisting the principal in all of his duties.

Our Board of Education, a group of dedicated, concerned citizens, never receive enough credit for the hours and the effort they give to insure the children of our District of a quality education. It is only through the effort of the staff in the office of the Superintendent and the cooperation of all the administrators that our District has the reputation of being one of the finest school systems in the county.

Our Special Staff Brightens The Day

Any visitor to our school is always amazed to learn that our building is 25 years old. The amazingly good appearance of the building is due to the dedicated custodial staff, and the interest of the administration to keep the facility in first-class condition.

Center of student activity for two-hours every day is our cafeteria. Perhaps the second most important piece of paper in the school is the cafeteria menu (the most popular paper is the daily absentee list). Days can be made or broken by conversation which has taken place during the lunch period.

We are all appreciative of the time and interest which all personnel of the special staff devote to our students.
